EXPERIENCE CENTER

Ever wondered, how a golden or a crystal encases phone might actually feel in your hand? Why not personally experience the richness and live the imagination, order your wish? We have an exotic Experience Center in Bengaluru, India, exclusive to some of our niche products to help you decide what suits your personality best. You can see the quality of our products, the packaging, and all the spectra of products available, and make your decision. That is Vstyle London for you, from India, to the World.

CRAFTSMANSHIP

All our phones and cases are ardently designed, created and styled in London. Molded in the hands of some of the best and globally reached craftsmen in the World, our range of exceptional products woos you and makes you stand out in a crowd, and be the true center of attraction.

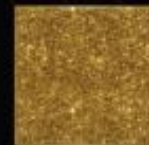

PERSONALIZATION

Vstyle London has a wide range of niche designs and patterns to choose from, but our most exhilarating feature is the option to personalize your own design. Be it engraving the name of your loved one, or an outline of your bike, or the face of your pet- Just interpret us your ideas and we will engrave what you love on the material you want, or even the type of product to choose from. You can choose between Gold, Rose Gold or Platinum material for your products.

There is also an exclusive V Style London material named Black Elite available on select products. Looking for a new phone we will offer you a personalized one! Got a phone already? We can personalize that too! All the offerings are available in two spectrums

PRODUCT SPECTRUM

PURE OPULENCE

Gold and platinum embrace exotica in two ways, as an elegant accessory, and also as a future friendly investment. Because as the old saying goes, gold never lets you down. Carved with the highest level of certified purity by professional craftsmen, **950 Platinum, 22KT Gold and 18KT Rose Gold** last for life.

PLATED SERIES

This spectrum consists of transforming your products by plating it with **24KT Gold, Platinum, Rose Gold**, and our classy **Black Elite**. The most sophisticated machineries and the advanced technology for Electroplating, PVD, and others ensures the most sybaritic feel in the lap of luxury!

VSTYLE LONDON

Indulgence as never before

Vaibhav Gowda

Visionary, Vivid, Vaibhav. Vstyle London, is a conception by Vaibhav Gowda, an entrepreneur from Bangalore, India. An out of the box genius, his idea has struck the right chord, with people passionate about luxurious living. Personalized gold-plated phones are a niche product which, not many can brainstorm. But Vaibhav, with his vast experience in the luxury segment, has understood what people crave for, and has successfully turned his idea into a venture, and driven it to success, with his dedication, giving Vstyle London his heart and soul. In other words, Vaibhav has managed to create, an Indulgence, like never before.

Feel free to Contact me personally for any doubt!
